**Subject:** Draft FS Revision Process; Updated Matrix Table and Action Items List for 15-August-14

Kristine,

The following email is provided on behalf of Carl.

Kristine -

Please find attached an updated FS Revision Process Matrix. Changes since last week's matrix are shown in red. This week's changes reflect updates in information transferred between LWG and EPA and information discussed at the last couple of FS technical meetings. Please let us know if we have accurately captured current schedule status.

Also attached is a summary list of action items compiled from the last 14 technical meetings (COCs, PRGs, RALs, SDUs, Technology Screening Matrix, PTW, SMAs, Buried Contamination, Disposal Sites, CDF Treatment, Dredge Depths, Source Material, and Alternative Development and Screening) and the recent two draft Section 1 meetings. This update includes completion of some action items from recent meetings.

Let us know if you have any questions about any of this.

Thanks much.

Carl

Let us know if you have any questions.

Thank you,
